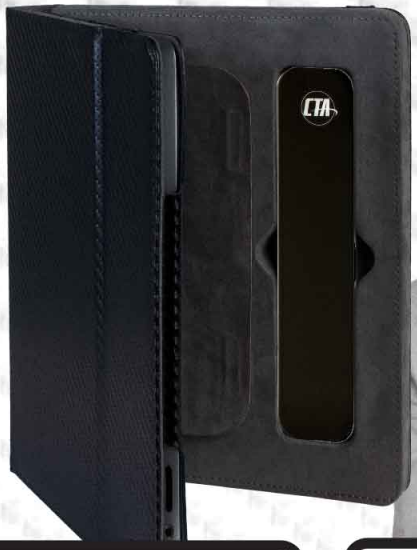
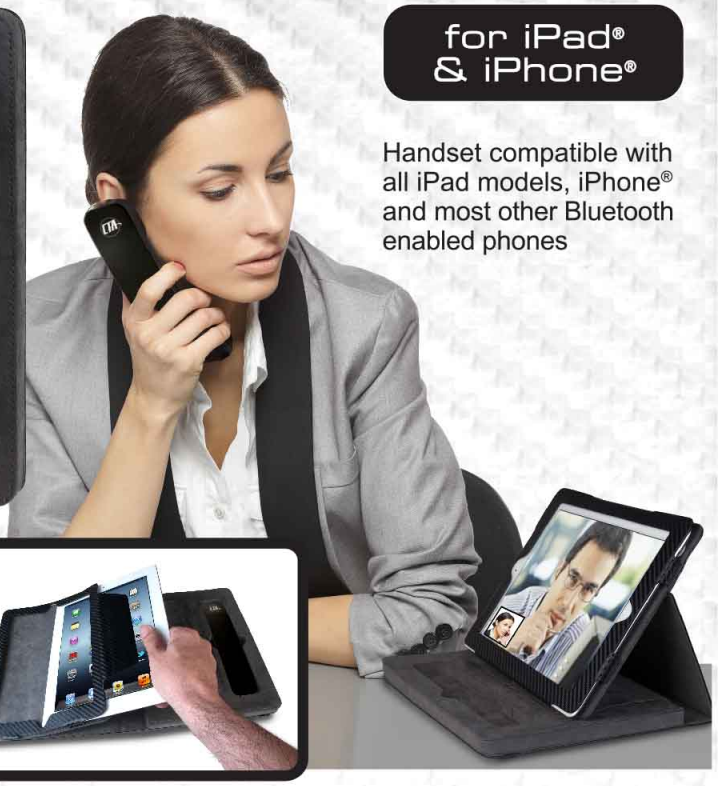
Bluetooth Phone Handset

with Leather Case

PAD-BLC





for iPad® & iPhone®

Handset compatible with all iPad models, iPhone® and most other Bluetooth enabled phones

Stylish Leather Case with Suede Interior and Slim Handset Design

Folio-Style Case Folds Into Convenient Stand

Stylish Leather Case Holds and Protects iPad

Internet phone calls and face-to-face video chat meetings are great ways to connect and easier than ever with the iPad, but there's still something to say about the feeling of a classic phone handset. With CTA Digital's Bluetooth Phone Handset and Leather Case you can enjoy the familiar comfort of picking up a phone with the added convenience of a wireless Bluetooth handset. Easily store and carry the slim phone and iPad with the stylish and protective leather case. The folio-style case also folds into a useful stand and includes extra storage space for cables tucked inside the soft suede interior. The case fits the new iPad or iPad 2 and has openings for controls, connections and both cameras. Foam padding and an elastic strap ensure the iPad and slim phone are well secured inside the case. Whether you are looking for an easier, more comfortable way to make calls or miss the feeling of a classic phone, you will find an answer with CTA Digital's Bluetooth Phone Handset with Leather Case for iPad.
